Applicants respectfully request that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art."

Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of the listed documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents should the documents be applied against the claims of the present application.

Respectfully submitted,

A handwritten signature in cursive script, reading "Richard W. James".
